

Working Together – new models of care, new ways of thinking

Tuesday 12 December 2017, 13:00 – 16:40

CEME Centre, Marsh Way, Rainham, Essex RM13 8EU

The aim of this workshop is to:

1. Bring together primary care to discuss national and local examples of new models of care and new ways of working
2. Provide an opportunity to network and learn from peers
3. Co-design next steps for local adoption

Chair: Professor Mike Roberts, Programme Director Population Health, UCLPartners
